

ELEPHANT AOP ONESIE

Fabric Weight- OK

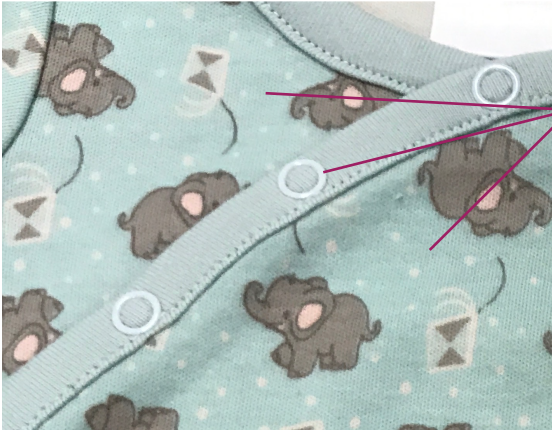

Fabric feel - Too stiff. Needs to be softer. Please refer to the sample being sent for handfeel.

Print Feel - Print feels stiff, it needs to be softer.

Base colour- is a little too yellow, please make it a bit more blue.

Snap colour – snap colour is ok, but the rest of the garment needs to match this. See picture.

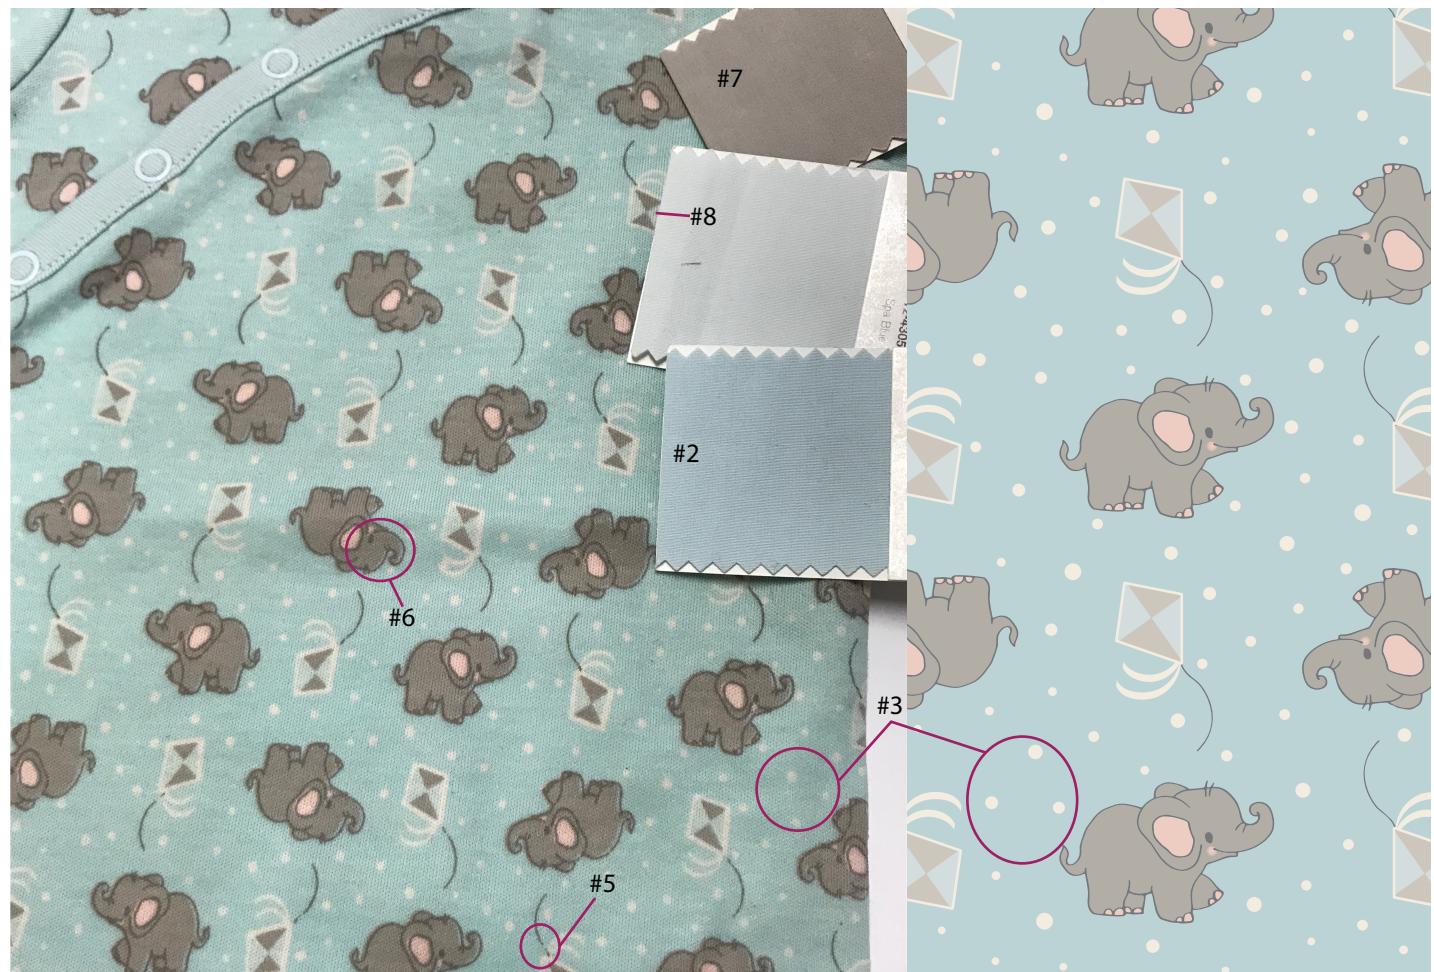

Binding colour - the binding and print ground colours need to match. Please see picture.

All colours must match the Pastel Blue 12-4607 TCX

All Over Print -

- 1) the Egret 11-0103 TCX colour is very DULL. Needs to be corrected.
- 2) The ground fabric is not CLEAN making the white part look dull. Please correct.
- 3) Egret 11-0103 TCX dots in the print are not clear and visible. IMPROVE the look of Egret 11-0103 TCX dots.
- 4) The print looks stretched along the grain. (Lengthwise) Please check the print again to make sure it is not stretched.
- 5) Ensure all outlines are a continuous line without any gaps or spaces.
- 6) Improve print registration, it is very bad on the back of the onesie.
- 7) Dove can be a little bit lighter/ cleaner in colour. See Pantone swatch.
- 8) the kite should have spa blue 12-4305 TCX in it, but it looks like the ground colour.
