## LLAMA AOP ONESIE

Fabric Weight- OK

Fabric feel - Too stiff. Needs to be softer. Please refer to the sample being sent for handfeel.

Print Feel - Print feels stiff and scratchy, it needs to be softer.

Base colour- OK

Snap colour – snap colour must match the rest of the garment, please see picture.

Binding colour - OK

- 1) the Egret 11-0103 TCX colour is very DULL. Needs to be corrected.
- 2) Some outlines are broken up with gaps, please ensure all lines are smooth and 1 piece.
- 3) I have revsied the print to be a little bit cleaner in the Llamas face, so there is less grey around the mouth and eyes. Please see revised art.
- 4) The print looks stretched along the grain. (Lengthwise) Please check the print again to make sure it is not stretched.
- 5) The bow should have Pale dogwood 13-1404 TCX in it as per artwork.
